## DAILY SENTINEL.

BY HOTEL LINE.

Please Inspect to the Seated.

Madison, Oct. 14, 7 p.m.

The most decided meeting that was to have come of to-day, turned out a perfect failure, no speakers—no banners—no enthusiasm—no meeting. Some flags are visible about town, the meeting exhibiting signs of disappointment.

We are to have a H. meeting at the Court House this evening in take into consideration to have the rights of the County to the Milwaukee and Muskego, and Bell Rock Company. The people are beginning to think favorably towards this project in this vicinity.

Letters between the Governors' Adm. and

Eastern State.

Boston, Oct. 5.

The encounter between St. John, N. B., was into last evening, near Fort Independence by the western State, for a day, cutting into the roads leading to the State's main road, and the road to the East.

As she had a heavy cargo and about 200 passengers, she did not dare to turn back to the East. Her freight, however, did not do well, would escape damage.

The steamer is injured, it is supposed, to the amount of \$1000. The East River Company, the steamer, will immediately to the insurance of her damage, and took off her passengers and crew.

The Case of Bishop Done.

Camden, Oct. 3.

The House of Bishops have organized, for the examination of the charges against the Bishop of the Diocese.

The Bishop (Brownell) of Conn., being the senior Bishop present, and Rev. Dr. Whipple, Secretary of the House of Bishops, is at his seat. Rev. Mr. John Henry Hopkins is Assistant Secretary.

The Conference adjourns its session to Burlington, the place of the Bishop's residence.

The prospects look quite favorable for the accus-

A. T. T. NEWS FROM THE CHINA FLEET.

American Venus Warmed Off.

We understand that the owners of the ship American Venus, of Boston, have received in-

elligence of her arrival at the Looches Islands on the 12th of September. She was imme-

diately ordered off by a Peruvian naval force.

She was bound on to wait for the arrival of the American squadron under Commodore Macaulay.

in pursuance of instructions of her owners, to com-

municate with the American Consul at the United States Consulate as contained in the letters of Mr. Webster and Mr. Graham, of which Captain Baker had certified copies.

Capt. Baker makes no mention of any other

at the islands, but says there were two vessels

the American and of Peru, one English and the

other American.

Capt. Baker says this information to his agents

and the English minister, who he understands

are based at Callao, on his way from

Peru to the fleet of clippers by parties in

this city.

Com. A. G. Parker's Valparaiso on 31st Aug., to

the date of the 5th of June were sent to him

from Peru.

This is the first intelligence received from the

Lobos Islands since the departure of the fleet

from this city, the date of the departure of the

agents of our government, received

from Mr. Webster—N. Y. Times.
